Introduction

This Policy on Stewardship code is created in accordance with the Guidelines on Stewardship Code for Insurers in India issued by Insurance Regulatory and Development Authority of India (IRDAI) vide circular ref. IRDA/F&A/GDL/CMP/059/03/2017 dated 20 March 2017. Stewardship codes require investors to monitor and, where necessary, engage with companies on material matters, including environmental, social, governance, strategy, performance and risk issues and to vote their shares at company AGMs and EGMs.

Stewardship aims to promote the long-term success of investee companies in such a way that the ultimate providers of capital also prosper.

ManipalCigna Health Insurance (ManipalCigna) has adopted this Stewardship Code pursuant to the approval of the Board of Directors and is effective from 10 August, 2017.

ManipalCigna will make its best efforts to avoid such conflicts and ensure that any conflicts of interest are resolved in the best interests of its Policyholders.

Investment team will be responsible for monitoring performance of all the investee companies. Credit analysis of the companies using publicly available information, credit rating rationales, research reports shall be prepared quarterly and shall be presented to Board and discussed in the Investment Committee on a periodic basis.

In cases where matter is communicated to the investee company but response of Investee Company is dissatisfactory then such case shall be escalated. Suspension of further investment in or exit from such investee company shall be considered in the interest of stakeholders.
